How to help me at home Year 5

Phonics/Spelling

- Each week your child's spellings are in their homework.
- Ask your child what my weekly spellings are and discuss the spelling rule
- Test your child on Thursdays ahead of their test on Friday.
- Choose an spelling activity to practice your weekly spellings. (see the back page)

Useful Websites: https://www.spellzone.com/word_lists/games-368726.htm

Maths

- Play maths games such as Top Marks Hit the Button.
- When cooking at home, talk about fractions (half, quarter, thirds). Discuss cooking times and how to calculate ingredients.
- Ask your children quickfire multiplication questions (see the back page).
- When shopping try to get some maths practised by working out prices and change.

Useful Websites: <https://whiterosemaths.com/homelearning/> (keep up to date with what your child is learning in maths each term. This website has useful

Reading

- Remind your child to read their reading book. Encourage them to read silently to themselves but check their understanding of what they have read after doing so.
- Give a wide range of texts, books, newspapers, magazines, poems.
- We read out class story daily, ask your child to summarise what they read today and make predictions for what might happen next.
- Read on Myon at least once or twice a week.

Useful Websites: <https://www.myon.co.uk/login/> <https://www.oxfordowl.co.uk/>

Ready for school

- Read at bedtime, and try to avoid screens at least one hour before bedtime, this will help to ensure a restful nights sleep. A child in year 5 needs around 10 hours sleep.
- Ensure your child has had breakfast to see them through the morning. Breakfast will help your child concentrate and give them energy for the day.
- 1 in 3 children are unable to tie their own shoes. Spend time teaching your child how to do this on a spare pair of shoes.

Writing

- Encourage your child to write about their heroes, favourite books, sports events, hobbies and interests to help keep them interested in what they are writing about
- Encourage your child to create persuasive posters about topic there are interested n.
- Keep a journal about their day, this could help your child understand their own feelings about things that have happened throughout the day.

Useful Websites: Try this fantastic website with videos for you to learn about everything English. <https://www.bbc.co.uk/bitesize/subjects/zv48q6f>

Being healthy

- Aim for an average of at least 60 minutes of moderate intensity physical activity a day across the week. This could be: walking to school, playground activities, riding a scooter, skateboarding, rollerblading or walking the dog .
- Eat a well-balanced diet, include foods from all different food groups and check the following website for more advice on the health eating plate
- Remember the importance of good dental hygiene. Ensure that your child brushes their teeth twice a day.
