

Parents copy

Leadership

Subjects Leaders supporting a strong sequential plan for their subjects – offering training and quality assurance.
Monitoring by Senior Leaders and Governors to support the actions needed to continue our school improvement.

EYFS

Embed the new Early Years reforms in Nursery and FS2
Links between FS1 FS2 and Y1 to strengthen to support transition from Nursery to school
Further improve the outside area for Foundation 2 - landscaping

Key Skills

Teaching methods to support 'sticky learning' used in all classes:
(magical spelling, daily tables, spellings, dictation, didactic teaching, language links for topics and subjects, KWL grids, success criteria sheets)
Reading: Improve resources for early readers, Work on author's use of language in texts and retrieving the right information.
Writing: Children to become more resilient in writing to produce quantity as well as quality pieces.
Maths: place value and times tables. Solving number problems.

Curriculum

The curriculum has clear progression of skills and knowledge in all subject areas.
Little Wandle Phonics scheme providing high quality teaching and Learning for a systematic, synthetic approach to teaching phonics
SRE curriculum embedded across school

2021 -2022 Overview of Development Plan

Pupil Wellbeing

Refocus on our learning powers to support children's mental health – particularly perseverance, resilience and empathy.
Early support put in place via Learning Mentor or external professionals.
Widen children's experiences through visits and visitors and clubs

Recovery

Tutoring and a range of accredited interventions planned throughout the year to support children back to pre-pandemic progress and outcomes.

Persistent Absence / Attendance

Holidays – make families aware of the negative impact and legal obligations around holidays in term
Target improvements in the attendance of 90% – 94%
Increase the number of home visits when we do not hear from home as to the whereabouts of a child.

Parental Engagement

Leaflets of 'how to help' produced to support learning at home.
Look to engage other providers to offer activities around health, fitness and wellbeing – Grab a Grown up!
