

St Helen Auckland Primary School
Accessibility Plan
2022 - 2025

Objectives

Our school has high ambitions for pupils with disabilities and will aim to provide the correct environment for them to participate and achieve in every aspect of school life.

Our school also intends to increase accessibility for staff and members of the public with disabilities.

Pupil data

As part of our anticipatory duty we will attempt to identify potential pupils with disabilities who will attend the school.

We will do this by contacting the feeder nursery's and the SEND and Inclusion Department, County Hall

Consultation Group

In order to ensure that we take into consideration a wide range of views regarding accessibility issues in the school we intend to form a planning group that will consist of:

Head teacher
Deputy head teacher
Chair of Governors
SENCO

If our circumstances change, we will consider appointing other relevant members to (ie. parent of disabled pupil etc)

Section 2

The Main Priorities in the School's Plan

In compiling its Accessibility Plan the school will utilise the support package provided on the school's extranet. These resources will be used in conjunction with the database of software that highlights issues relating to all three areas from the planning duties:

Increasing access to the curriculum
Improving the physical environment
Providing information in different formats

Using the curriculum section and the database we will answer all questions and again propose our action plan, timeframe and funding to address any areas of shortfall.

Again using the information section and the database we will answer all questions and again propose our action plan, timeframe and funding to address any areas of shortfall.

We will also use the additional information section within the database in order to cover any issues that are not detailed within the audit, curriculum and information sections. We will develop and implement an evacuation of disabled people plan using the guidance and instructions from British Standards (BS 558-12:2004).

Management

The Head teacher / SENCo will co-ordinate the gathering and input of information into the database. This will be an on-going process. The planning group will meet in the Autumn Term in order to provide updates on the progress and implementation of the plan. As an agenda item of their termly Governing Body meetings. Governors will begin to understand that it is their key responsibility to have a current school's access plan in place and identify priorities within their responsibilities. Governors will be kept up-to-date and will monitor and evaluate any changes against the plan on a termly basis.

The school will review and revise its plan on an annual basis or more regularly if issues arise, following the planning group meeting. As an agenda item of termly staff meetings we will be able to offer/provide staff development and training to ensure that all staff are aware of the DDA duties as they apply to the school and also to secure the commitment of staff to removing barriers and increasing access and identify any specific training needs. The Accessibility Plan will be embedded in the School's Improvement Plan, SEN Plan, Staff Development Programme and Curriculum Planning Programme. Minutes relating to this item will be circulated to Governors to enable them to carry out their evaluation and monitoring role.

Aspects of DDA will be highlighted to the pupils, during SEAL and PHSCE and once a year pupils will be asked to complete a survey on their views on whether they think that the school has become more accessible to all. The results of this survey will be feedback to the Governors to enable them to carry out their evaluation and monitoring role.

Once estimates of costs are received any relevant works these will be considered by the Finance and Premises Committee and reported to the full Governing Body meeting. Governors will then determine the priority and source of appropriate finance.

Circulation

The school's Accessibility Plan is available in school. Any interested parties should contact the Head teacher in the first instance to view the plan. The plan will be available in an easy to read paper format. This information will be communicated via the school website under 'Policies' and any interested parties who should request a copy. Any comments will be fed back to Governors to enable them to carry out their evaluation and monitoring role. The indication and expected outcomes/performance criteria and timescales are all highlighted within the plan and this will be reported back to parents as part of the consultation process.

Policy agreed by Governing Body _____

September 2022

Policy to be reviewed September 2023

St Helen Auckland Primary School
Accessibility Action Plan 2022 - 2023
(in line with the 2010 Equality Act – see Accessibility Policy)

Aim 1: To increase the extent to which disabled pupils can participate in the school curriculum

Our key objective is to reduce and eliminate barriers to access the curriculum and to ensure full participation in the school community for pupils and prospective pupils, with a disability.

Short Term:

Targets	Strategies	Timescale	Responsibilities	Success Criteria
To liaise with Nursery providers to review potential intake for Sept 22 (and throughout the year for Early years and 2 yo provision)	To identify pupils who may need additional to or different from provision for Sept 22 Intake	Spring 2022 in preparation for Autumn 2022	HT EYFS Manager SENDCO	Procedures/resources/ ideas set in place by Sept 2020
To establish close liaison with parents & carers	To ensure positive collaboration and information sharing between school and families. Provide a range of opportunities to encourage parents / carers to build good relations with school staff (ie. Family Learning, drop-in sessions etc.	Ongoing throughout 2022/23	HT All Teachers & TA's	Clear collaborative working approach Strong relationships based on trust established with families and carers
